

The Musician's Studio

CMEA

1•21•21 - 6:30-7:30 PM - So what's it really like to study music in college? Talk with students studying music in college & learn the real deal.

1•28•21 - 6:30-7:30 PM - What's it take to be a symphony musician? Meet, greet, hear their stories, & grab a few tips from members of the San Diego Symphony!

2•4•21 - 6:30-7:30 PM - I want to sing on Broadway! Meet Storm Lever, Broadway star & soloist with the San Diego Symphony. Learn about her musical life & journey to Broadway.

2•4•21 - 7:30-8:30 PM - Call of Duty, Destiny, & Transformers - Designing Sound Effects Every Gamer Knows. Join John Drelick, Senior Sound Designer from High Moon Studios & hear about his life as a percussionist & how this led him to become a master of sound effects.

2•11•21 - 6:30-7:30 PM - Blizzard Composers IN the HOUSE! Meet award-winning gaming composers Neal Acree & Jason Hayes. Learn about their journey as composers for World of Warcraft, Diablo, StarCraft, Stargate, & more! If you love gaming & music, this session will Blow. Your. Mind!

The Musician's Studio - CMEA

- a series of live, interactive, online sessions for middle & high school music students where they can meet, interact with, & learn the personal stories of professional musicians, composers, sound artists, & college students.

**Real-World • Real Stories
Real Music**
