STAND UP 4 ARTS EDUCATION ADVOCACY DAY APRIL 30, 2024

Persons participating in the StandUp4Arts Education Advocacy Day, will have to schedule their own meetings with their elected state officials for April 30, 2024.

Your first step is to call the Capitol Office of your senator and assembly member and request to speak to the scheduler to determine what is required in order to meet with him/her; a letter, email or just a phone call. **Suggest specific times for meeting with them on April 30, 2024.** A “How to Identify Your Legislator” document is available for those who need to identify their Senator or Assemblymember.

If the legislator is not available on April 30, 2024, then request a meeting with the Legislative Director or staff person who is assigned the education policy area. Be prepared to provide your address to confirm that you are indeed a constituent.

For many, this will be the first time doing this. To assist you in this task, on the following pages you will find a **sample phone call script, email and letter** requesting a meeting.
