HOW TO IDENTIFY YOUR LEGISLATOR

If you do not know who represents you in the California Legislature, please take the following steps to identify your Senator and Assemblymember.

1. You can refer to the webpage of **either** the Senate or the Assembly.
2. Use either one of these links:

California State Senate: <https://www.senate.ca.gov/>

California State Assembly: <https://www.assembly.ca.gov/>

Take the steps below if you use the **State Senate website**.

1. Scroll down the page until you see “Find My Senator” under the title “Find Information”.
2. Click on the “Find My Senator” button.
2. You are now on the page “Find Your California Representative”.
3. Enter your California address and click the “locate” button at the bottom of the page. **All** of the information is required.
4. Upon clicking the “locate” button, the next page will provide the names of your Assemblymember and Senator.

Take the steps below if you use the **State Assembly website**.

1. Scroll down the page until you see “Your State Assembly”.
2. Click the button “Find My Representative” which is the first button under “Your State Assembly”.
3. You are now on the page “Find Your California Representative” page.
4. Enter your California address and click the “locate” button at the bottom bottom of the page. **All** of the information is required.
5. Upon clicking the “locate” button, the next page will provide the names of Your Assemblymember and Senator!

Congratulations! You have successfully identified your Assemblymember and Senator!
